

Group Activities

Each week, you will participate in an activity with your group that will help you demonstrate your understanding of the lessons. The goal of the group activities is to foster collaboration and community, document learning, and provide space to practice the skills and concepts you're learning each week. These are low-stakes assignments where you will have space to make mistakes and learn from them.

Content Requirements

- Complete all parts of the worksheet provided in each module.
- All members of the group should contribute equally. It is up to your group to divide the work and keep each other on task.

Form Requirements

- Put everyone's names on the document
- Typed, 12 point font
- Word document
 - You're strongly encouraged to use Word Online to share and collaborate on the worksheets.

Grading

Group activities will be graded holistically based on completion. All members in the group will receive the same grade for the work, so please be sure to do your part.

- 3/3 = Complete
- 2/3 = Incomplete, but more than half submitted
- 1/3 = Incomplete, but less than half submitted
- 0/3 = Not submitted or plagiarism has been detected

Submission Instructions

One group member should submit the file using the upload link in each module.

Due Dates

Small group activities will be due each Friday by noon.

Group Members

If you have conflict in your group at any time, please notify your instructor immediately to discuss solutions.

[Group member names and Laboure e-mail addresses will be posted to eLearning.]
